**Background on OnTheMarket:**

OnTheMarket plc, the majority agent-owned company which operates the OnTheMarket.com property portal, is a leading UK residential property portal provider.

Its objective is to create value for shareholders and property advertiser customers by delivering an agent-backed, technology enabled portal - offering a first-class service to agents and new homes developers at sustainably fair prices and becoming the go-to portal for serious property-seekers.

With over 3,000 estate and letting agent shareholders, operating c.6,000 offices, OnTheMarket provides a unique opportunity for agents to participate in the equity value of their own portal. Agent backing and support enable OnTheMarket to display "New & exclusive" properties to serious property-seekers 24 hours or more before agents release these properties to other portals.
